Content list

Part I Details and specification of machine

Part II Price List and payment , warranty and others

Part I. Details and specification of machine.

1) SJ35/28 single screw extruder -- 1 set

General description	Main electric element	Frequency inverter : ABB AC Contactor : Siemens Temperature controller : OMRON or RKC
	Output	25-35 kg/h
Screw	Diameter(mm)	35mm
	L/D	28/1
	Material	38CrMoAlA , Nitrogen treated
	Heating	Ceramic heater with stainless steel outer cover
	Heating segments	3 zones for barrel
	Heating power	9KW
	Cooling	Cooling by blower, 150w*3sets temperature control accuracy: $\pm 1^{\circ}\text{C}$
Drive and Transmission system	Main motor power	7.5kw; AC motor
	Speed adjusting mode of main motor	ABB Variable frequency conversion

	Rotating speed of main motor (r/min)	1400r/min
	Gear box	Hard gear tooth face Low noise design Material of gear: 20CrMnTi

Part II. Price List and payment ,warranty and others.

1. Price and Term of payment

No.	Name	Unit price (USD)	Qty (set)	Unit price (USD)
1	SJ35/28 single screw extruder (7.5 kw)	3,200 USD	1 set	3,200 USD
2	Wooden box packing and in-land transportation cost			300 USD
Total price : 3,500 USD , FOB, Shanghai port (with wooden box packing)				
100% paid by T/T before shipment after inspection				

2. Delivery

20 working days since receiving deposit.

3. Packing

Wooden box packing

Thanks for cooperation! Sincerely Hope to work with you in near future!
